To Whom It May Concern:

It is my pleasure to write this letter of recommendation for Adam Ellis. Adam has worked in Clovis Unified School District at Cole Elementary School since November of 2021. He previously worked as an Instructional Assistant in an SDC K-3 class before joining my SDC 4-6th class this year.

I have found Adam to be a highly effective aide in the classroom and an outstanding role model for the students as well as the other aides in the room. Adam cares tremendously for every student. He is dedicated to helping each be successful whether it be in the classroom or out on the playground during social interactions. The students seem to really appreciate the dedication and have benefitted tremendously because of it.

Talented, dedicated, fun and caring are all words that describe Adam. I feel he would be an asset to any position for which he is applying and would make an outstanding candidate and a welcome addition to any staff.

Sincerely,

A handwritten signature in black ink that reads "Melanie Stumpf". The signature is fluid and cursive, with a large loop at the end of the last name.
