4:25 - 4:40 Update - Five Keys [Renewal Petitions](#) (Discussion)

[Action Timeline](#)

[March 9, 2021 Initial Public Hearing](#)

Jan 11 - petition to renew all 3 schools, and request to add additional local site → Material Revision, which is reviewed separately from renewal

Proposed Add'l Sites: Santa Clara Prob Dept, Sac County Jail, Sac Probation Dept, SLO County Jail; SLO County Prob Dept

- Large percentage of ADA of 3 combined > 80% comes from outside of SF county (as far as Sonoma to LA)
- Property tax related to charter schools - excess ERAF - costing SF County to fund ADA for 5 Keys generated outside of SF

Recommended Next Steps:

- withdraw additional sites request
- Recommendation to BOE 3/22

Gov Budget Proposal - Trailer Bill for upcoming budget - cap population for 21-22 budget for >24y/o

5 Keys - amount of ADA is down b/c COVID, etc

Q: 5 Keys should apply under LAUSD jurisdiction since they have more operating sites there | A: b/c of Trailer Bill, there are obstacles for them to apply under current renewal petition; can't tell BOE to deny and review elsewhere, need to review under the criteria that is available

Site Visit: Virtual site visit in packet material; discussed limited virtual site visit; have WASC crediting program which can be virtual site visit

Summary Assessment to put forth BOE, including any recommendations

Site Committee: Natalie + Aleida

4:40 - 5:10 Charter Schools and Special Education Local Plan Areas (Discussion)  
[Guiding Questions - Fiscal Structure](#)

Only 5 are in SFUSD SELPA, 9 are in El Dorado SELPA

Charge GF Amount per ADA and bill on quarterly basis back to the charter to come back even on the cost of revenue

Additional questions: administrative costs (special education supervisors and content specialists\*)? Transportation? 20% of students receiving special education services also receive transportation as a related service.

5:10 - 5:20 Prop 39 Facilities - 2021-22  
[Prop 39 Facilities Requests: 2021-22](#)

2 preliminary offers for New School SF to stay at Sara B Cooper; Kipp Bayview - negotiate deal to lessen impact on Bret Harte over the next 2 years, but can't commit to longterm rn only current charter term - safe bet that they will be renewed, and anticipate to house them over the next 5 years

At least weekly negotiation sessions in lieu of prop 39 agreement (RIP Michael's sanity)

5:20 - 5:30 Complaints Against Charter Schools

1. 5 Keys thru a variety of means is inflating their attendance accounting, particularly ADA in independent study programs thru means of alternating or falsifying records + management coercion involved in having the certificated staff in reporting the time spent on ISP for students incorrectly to inflate ADA → receive more funding from the state than entitled to
  - a. Reviewed allegations and prepared a communication to 5 Keys that falls under ed code 47.03 (?) charter school must respond w fiscal requests
  - b. Michael reached out to 5 Keys and detailed request for ADA accounting, audit of ISP and attendance
2. 5 Keys the 501c3 is engaging in self-dealing and other various corrupt practices as a nonprofit entity; still being advised on how to proceed

5:30 - 5:40 Key Dates, CSOC presentation to board, Next Steps, Announcements  
(Discussion Item)

As of 2/25 - Judson was offering 4/6 or 4/20 as dates to report to the board

- If not those, Michael will ask for May dates

Bring to committee meetings or general BOE, which runs risk of running late

- Provide written report in lieu of presenting at formal meeting

React to draft
