

Ultimate Solution

(from Unearthed Arcana)

This strange and magical liquid appears to be nothing more remarkable than some sort of minor oil or potion. In fact, upon first examination it seems to have the properties of both [oil of slipperiness](#) and a [potion of delusion](#). However, if it is applied to any form of adhesive or sticky material, the solution will immediately dissolve it. Thus, for instance, the effect of sovereign glue will immediately be negated by this liquid, as will any other form of cement, glue, or adhesive.

The area of effect of this liquid is 1 cubic foot per ounce, and a typical container holds 27 ounces. If the liquid is carefully distilled to bring it down to one-third of its original volume, then each ounce will actually dissolve 1 cubic foot of material, organic or inorganic, just as if a *disintegrate* spell had been employed.

To find if a target is affected by this concentrated solution, a successful roll “to hit” is required, and the subject is then also entitled to a saving throw versus spell. Inanimate objects are automatically affected by the solution; however, for such items of magical nature a saving throw versus disintegrate applies.
