

Activity: Create Accounts

Purpose

Over the course of this semester, we will use the following online platforms:

- [C-MOOR Academy Discussion Forum](#) – Join the community to get help and share your findings
- [Google Docs](#) – Collaborate on assignments and scientific posters
- [Galaxy](#) – Analyze data with >10,000 tools using a graphical user interface
- [SciServer](#) – Access virtual machines preinstalled with RStudio, Bioconductor, and more

Activity

Estimated time: 30 min

Instructions

Create accounts on the following online platforms:

1. C-MOOR Academy Discussion Forum – <https://help.c-moor.org>
 - Submit your username using [this form](#)
2. Google Docs – <https://docs.google.com>
 - Test by opening [tax-data-gut.tsv](#) with Google Sheets
3. Galaxy – <https://usegalaxy.org>
4. SciServer – <https://sciserver.org>

Questions

Fill out your username and insert a screenshot of that username in the boxes below.

1. C-MOOR Academy Discussion Forum.

<Username: your username>

<Screenshot: insert screenshot>

2. Google Docs.

<Username: your username>
