

It was a happy-go-lucky day in one of the friendliest and happiest neighbourhoods of Brisbane, Australia, at the Heeler house, where big sister Bluey and little sister Bingo were sitting on the stairs. At the same time, their dad, Bandit, was still stuck spraying himself with the water hose, because they'd played a game of Magic Xylophone.

Bingo: Ok! Now I'm ready.

Bingo quickly grabs the xylophone and begins to ring it, desperately freezing her dad

Bingo: Bluey, can you go and turn off the water hoses please? I want to tell him something.

Bluey: Ok sure!

Bluey then twisted the valves shut, only for everything and even the water hoses to make a dripping noise

Bingo: Now, that'll teach you a lesson to not mess with my sister!

Bluey: Oh wait a minute! Let's play another game!

Bingo: What's that?

Then Bluey leaned in close, whispering in Bingo's ear about running away from dad, playfully.

Bingo: Oh ok!

Bingo quickly grabs the xylophone and begins to ring it, desperately unfreezing her dad

Bandit: Huh? What the?

Spots Bluey and Bingo

Bandit: What!?

Bluey: Try catching us if you can!

Then Bluey and Bingo run away from their dad, Bandit

Bandit: What!? Ooooo- I'm going to get you now!

Starts chasing Bluey and Bingo in a playful dad style

Bandit was chasing both Bluey and Bingo around the house, from one side to another. Meanwhile for Bluey at the Backyard, it didn't take long before she heard meowing, coming from the bush, and unfortunately saw a stray cat, coming out of the bush. However, it wasn't just any ordinary cat like the ones she saw in her own world. It was a gray stray cat with a large head, a small body, white eyes without pupils, and very large, sharp teeth. It even looked like it came from a different universe than Bluey's.

Bluey: Oh! A kitty

Looks around if anyone was there or not, while the cat's eyes don't blink at all.

Bluey: You want some food to eat?

The gray stray cat doesn't respond with anything. Just sitting, and stares at Bluey

Bluey: Ok wait here, I'm going to get you some food to eat.

So, Bluey heads to the kitchen to grab some grub for the gray stray cat, maybe a can of tuna and a bowl of water. She rushes back to the backyard, but the cat's nowhere to be found. Just when she thinks all hope is lost, However, she soon observes the gray cat fleeing and concealing itself within a bush. So, as soon as Bluey gets closer, she notices something wild: a portal, a portal that appears to have been summoned by an unknown force, potentially triggered by an incantation or knowledge derived from a magical spell or book.

Bluey: it's-... it's a portal.

Stares at the portal for about few seconds, right before snapping herself back to where she was at

Bluey: Wait! I'm going to get the Magic Xylophone first to catch the kitty first!

Bluey then returns to the house, where she discovers her magic xylophone on the kitchen floor, believing that Bingo must have dropped it and fled without it. After grabbing it, she returns to the backyard, locates the portal in the bushes, and then uses it to transport herself alone.

Then, as the warm hum of afternoon sunlight filters through the overgrown bushes behind a quiet school gymnasium, Bluey is transported to a world that is unexpected to her. Especially, with a bright, pastel-heavy color schemes, realistic architectural details, grounded, slice-of-life realism, clean lines, minimalist, slice-of-life aesthetic, and whimsical, pastel color schemes reminiscent of Japanese school environments from the early 2000s. as well as clean lines and a minimalist, slice-of-life aesthetic, and like an early 2000s Japanese school environment with whimsical, pastel color palettes.

Bluey: Wooooow, it's... Beautiful.

However, when she looks at her hands and herself, she gasps and realizes that she is a warm, olive, and tanned human dog girl with long, light sky blue hair and pastel dark blue spots. She still has her original ears and tail, but the style has changed to fit in with a different world. Speaking of her tail, her hair ends have the same pattern as her tail. However, she now wears a light sky blue shirt with pastel dark blue and tan spots, as well as a cartoony dog icon of herself, dark blue overalls with a skirt, a cozy long fleece shorts with zippers, and rainbow tie dye converse shoes with dog-themed socks.

Bluey: AHH!, I'M-... I'M HALF FURRY NOW!!!

Look around on herself more

Bluey: Where's the rest of my other half of my fur?!

Look around on herself more, and more. But accidentally keeps spinning, and spinning, until she fall down on the grass

Bluey: How does this even happen!? My parents and my sister Bingo is not going to like me for this!... Am I... still me?

After hearing a stomping sound on the right side of the grass, Bluey slowly tilted her head to the right and saw Ayuma Osaka Kasuga, a slow, easily distracted, and spacey teenage girl. Ayuma Osaka Kasuga, on the other hand, was confused while staring at a human blue-haired dog girl, thinking she was a lost little girl.

Bluey: AAHHH!!! Who are you!?

Ayuma Osaka Kasuga: Wait!- come down little girl! it's me, I'm Osaka!...

Since Ayuma Osaka Kasuga said her name to Bluey, the two of them have been staring at each other and are confused.

Bluey: Oh!... so, you're friendly right?

Ayuma Osaka Kasuga: Yes, I'm always friendly.

the two of them have been staring at each other again, and are even more confused than ever.

Bluey: Well uhh... I'm Bluey.

Ayuma Osaka Kasuga: Well, it's nice to meet you Bluey!

Bluey: So uhhh, what are you doing here?

Ayuma Osaka Kasuga: I'm only here being transferred into my new high school.

Bluey: Well, I'm trying to find this gray kitty, that it happens to run away from me.

Ayuma Osaka Kasuga: Ohhhh... So, are you lost?

Bluey: Well, maybe.

Ayuma Osaka Kasuga: Maybe let's start looking together!

Bluey: Really?! You're going to help me?

Ayuma Osaka Kasuga: Yeah! But then again, I'll probably be late on my first day at this school. So maybe, it's better being late than ever.

Bluey: Ok, let's go find it!

Ayuma Osaka Kasuga: Sure, but only for about few minutes ok?

Bluey: Ok!

After that, Bluey and Ayumu Osaka Kasuga set out to find the grey stray cat.

Meanwhile in the Bluey universe, Bingo and Bandit are still playing the hide and seek running game. Bingo is now hiding in the cupboard, but then she heard Bandit's foot steps coming inside the kitchen.

Bandit: Oh Bingo! Come on and come out, where ever you are! I hope you're not hiding from me, because you can run, but you can't hide!

Hears Bingo's giggling, but pretends he didn't hear it, in a playful dad type of way

Bandit: Oh wait a minute! Is she in the fridge?

Opens the fridge, but still pretending in a playful dad type of way

Bandit: Hmm? Is she under the stool?

Picks up the stool, but still pretending in a playful dad type of way

Bandit: Now, where could she be?

Goes to the area where the cupboard is placed at

Bandit: is she in?...

Opens the cupboard where Bingo is inside. So, he can surprise her

Bandit: the cupboard!?

Bingo: AH!

Both Bandit and Bingo started laughing happily while one last time, playing hide and seek. Until Bandit hears his stomach gurgling.

Bandit: Oh man! I'm feeling very hungry right now.

Bingo: Right now?

Bandit: Yeah! Right now, that I'm thinking of eating sandwiches.

Bingo: I like to eat some sandwiches.

Bandit: Well then, it's time for me to make some sandwiches for me, you and your sister, Bluey then.

Bingo: Ok!

Bandit grabs the entire bag of sliced bread from the kitchen, as well as the other ingredients. and begins preparing the favorite sandwiches for Bluey and Bingo: cheese & jam and peanut butter & banana.

Meanwhile, back in the Azumanga Daioh universe, both Bluey and Ayumu Osaka Kasuga were exhausted after trying to find the gray cat. With Ayumu already taking Bluey to her house, she gently guided Bluey into her bedroom while her mom was at work. Osaka smiled softly, allowing Bluey to relax and stay inside, letting her settle on her bed and just unwind.

Ayuma Osaka Kasuga: Just stay inside here Bluey, I'll come back after school. I might be late now, before my mom comes back. Ok?

Bluey signs

Bluey: Ok...

Ayuma Osaka Kasuga then closes her bedroom door to go back to her school. Suddenly, Bluey spots the stray gray cat once again, at a opened window that Osaka forgot about. This time, with her magic xylophone, she rings it at the cat. Unexpectedly and surprisingly to her, she accidentally summons a portal triggered by the ring of her colorful but a magical instrumental toy.

Bluey: Whoa! So this Magic Xylophone, really IS magical after all.

Bluey then returns to her own world after successfully finding her way back home. Once there, she begins searching for her dad, Bandit, and her sister, Bingo, to see if they are still engaged in playing or doing something else. As she makes her way to the kitchen, she unexpectedly spots her father, Bandit, in the act of preparing their

favorite sandwiches, carefully making them for both Bluey, Bingo and Bandit, ensuring they have something special to enjoy.

Bluey: Hey dad, what are you making in the kitchen?

Bandit: I'm making sandwiches for both of you girls, and even for myself.

Bluey: Dad, can I tell you something?

Bandit: Yeah sure! what is it kiddo?

Bluey: I made a new friend!

Bandit: What kind of friend is it?

Bingo: Yeah! What kind of friend is it?

Bluey: Well, my friend is like a monkey.

Bandit, and Bingo: A monkey?

Bluey: Yeah, like a really large monkey, a monkey that is taller than me.

Bandit: Uhh, you mean like a gorilla?

Bluey: No, I mean like a large, but a friendly and a spacey monkey, who said that she has school too.

Bingo: Hehehe, monkey school.

Bluey: I'm serious Bingo, she's just a friend of mine's

Bandit: Well, do you want me to make sandwiches for her as well? So you can, shared with her?

Bluey: Yes please!

Bandit: alright, coming right up!

Then Bandit makes the perfect cheese & jam sandwiches for both Bluey and her friend, Kasuga, without even knowing or realising what her friend is, and thinks she made an extra one to eat. So then, Bandit puts two cheese & jam sandwiches in a zipper bag and gives them to Bluey.

Bandit: Here you go Bluey! just have fun with your friend.

Bluey: Thanks dad!

Bandit: No problem kiddo!

Bluey returns to the backyard and rings the Magic Xylophone to summon a portal. She steps through it and finds herself back in Osaka's bedroom. This time, instead of anything else, she moves directly to the kitchen table, where she begins to eat her cheese and jam sandwich. She leaves behind an extra sandwich-just one-inside a zipper bag so that Osaka can have it later.

(Infinite Paradise by DJ Spyroof begins at 1:21 [Timestamp/Timeskip])

Later, after just one day, Bluey continues to visit Osaka's bedroom every weekend to spend time with Kasuga. Occasionally, both Bluey and Osaka engage in fantastic activities together every weekend, but only in the Azumanga Daioh Universe. In certain instances, even both Bluey and Osaka may even have dreams that are similar to what they have been experiencing, but only in one-dimensional universes. As of right now, nothing has changed.
