- Don't forget to put your IGN (in-game name) beside notes to get credit on the web page!

What Should Visiore be Spent on?

For the early stage of the game, you can get free visiore much like main story quest rewards, gifts, and so on. At this stage, do summon and try to get some units you want to use.

Once you successfully collect some units, purchasing fragments (shards)
Avoid banner pulls and pull when there are guaranteed step ups.

Premium Visiore

of units is the main way of spending visiore. Visit the shop, daily shops, and event shops to trade visiore for shards.

Shards are used to perform limit breaks on units.

Premium Visiore is the ones that you purchase. It's different from the free visiore.

Some summons (banners) require only premium visiore.
