## Pocklington P

### 1. Crime and ASB.

You can obtain Crime and ASB data for your area by entering your postcode.

### 2. Crime issues of particular note.

The following list shows some of the crimes that have occurred in the previous month in your area:

- Several secure sheds/buildings at a secure property in High Catton have been broken into and tools, equipment and a quad bike stolen.
- A fork lift was stolen from a field near Barmby Moor.

### 3. Community Priorities.

The Neighbourhood Policing Team meet regularly with partners to ensure we have a multi-agency approach to local issues, individuals and problem solving. These meetings are regularly attended by partners including Humberside Fire and Rescue Service, Youth and Family Support, Housing Officers, Environmental Health and the East Riding Anti-Social Behaviour Team. We share information and resources to deal with local neighbourhood issues, in particular, those identified as causing the most concern.

We have been patrolling Pocklington and the surrounding rural areas during our shifts. Patrols are continuing around All Saints Church in Pocklington and we are asking people not to gather in the area where anti social behaviour (ASB) has occurred. We have also had several reports of ASB and damage around the area near to the skate park in West Green, the park on Broadmanor, the Rugby Club, the Football Club and Primrose Wood. Patrols will now be monitoring these locations on a regular basis.

### 4. Crime Reduction Advice.

#### Advice about fraudulent texts

Action Fraud, the national fraud and cyber reporting centre, has seen a number of different scams circulating over the last couple of years in relation to Covid-19.

This includes text messages or calls prompting someone to purchase Covid tests, protective masks, or hand sanitiser.

Criminals are using these messages whilst in disguise of the NHS or the Government.

We are issuing another reminder to take a moment to think before parting with your money or information, especially if the request has come from a text or a cold call.

Do you know or trust the person it's come from? It's ok to reject, refuse, or ignore any requests.

Only criminals will try to rush or panic you.

If you received an unexpected text or email asking for personal or financial details or to prompt you to buy something, do not click on the links or attachments.
