Rules for script usage:

1. Remember to give credit!
Please add "Script by u/Froggo_Writes on reddit" to the description.
2. My scripts are free to monetize.
You may upload to Patreon to other paywalled platforms. I'd appreciate a free copy! :)
Please refrain from uploading to MagicWave.
3. Light editing is okay, but **please don't heavily alter my work!**
Light editing includes gender bending, avoiding swears, changing the character name for your own name, reducing/adding SFX, etc. If you're unsure, feel free to message me on reddit or twitter.
If my script didn't already include suggestive comments, please refrain from adding them.
4. Do NOT use my scripts for content farming!
(e.g., uploading the same audio multiple times under different titles to get more views)
5. Other than small businesses, companies and corporations may not use my scripts.
Contact me for questions and exceptions.
