

JUNIORS and SENIORS Fall and Spring

The classes listed below are available for your student to take for dual credit for the fall and/or spring semesters. Students are responsible for paying tuition and fees for college credit and for determining whether college credit classes will transfer to their future college or university.

Students who qualify for Free or Reduced Lunch can apply for the ACE scholarship to cover tuition costs. The application for the ACE scholarship needs to be completed with Mrs. Dillehay in the guidance office both in the Fall and in the Spring.
