

Do you have any students that have worked for you who are residents of Eastham? Are they graduating in 2023 and heading off to college or to start a career in the trades?

Please encourage them to apply for one of the Eastham Chamber of Commerce scholarships. These scholarships have been developed **to support the students that have supported our businesses**. Only students who are Eastham residents and have worked for an Eastham Chamber Member or the Town of Eastham are eligible for these scholarships.

There are three scholarships available. Students are required to write an essay explaining how their work has impacted them and you are required to write a letter of recommendation. The online applications are fillable or can be downloaded by clicking the links below and are also available at the local guidance offices.

- [General Scholarship](#): For general college entrance
- [Trades Toolship](#): For students learning a trade in need of education or supplies
- [Healthcare Scholarship](#): For students pursuing a career in healthcare

Please reach out to Jim Russo, (508) 240-7211, jimrusso@easthamchamber.com, if you have any questions.

We look forward to continuing our mission *...to support and advocate for the economic health, environmental awareness and cultural richness of our community.*
