Please please fill out the google form to help us try our best with arranging teams (you will find on the facebook event or via email). We will share the teams and schedule as soon as we're able to but we're trying to keep sign ups open as long as possible so encourage your friends to still sign up! We will be organising the schedule with the primary focus on maximising pitch time.

We encourage you to think in advance about ways you could foster that team chemistry right from the start: choreographed warm ups, chants - you name it!

On The Day

Please arrive **before 1 pm**, we want to make the most of the three hours we have! We will have a quick chat followed by a group warm up and then jump straight into games. Most likely it will be 4 games of ~20 minutes each (+finish the point + 1 cap), with a break between each game. Spirit scores should be recorded following each game (the link will be provided nearer the day)..
