Abstract. The heading Abstract should be typed in bold 9-point Arial. The body of the abstract should be typed in normal 9-point Times in a single paragraph, immediately following the heading. The text should be set to 1 line spacing. The abstract should be centred across the page, indented 17 mm from the left and right page margins and justified. It should not normally exceed 200 words.

Keywords: keyword1; keyword2; keyword3; keyword4; keyword10

Formatting the title, authors and affiliations

The title is set in bold 16-point Arial, justified. The first letter of the title should be capitalised with the rest in lower case. *Formatting author names and author affiliations*
The style for the names is First Names, typed in italic 10-point Times, then Last Name, typed in 10-point Times, with a comma after all except the last author, which is separated by comma + "and". Do not use academic titles.

Affiliations of authors should be typed in 9-point Times. They should be preceded by a numerical superscript corresponding to the same superscript after the name of the author concerned. Please **ensure that affiliations are as full and complete as possible and include the country.**
