

TRAILS COMMITTEE
Meeting Jan 7, 2010

Present:

Johanna Coughlin
Stephanie Hooker
Kelly Pearce
Kurt Mohr

New committee name: Pathways Committee OR Pathways Partnership

Function: A platform for sharing ideas and coordinating resources to improve the pathways that are within or extend outward from the District of Hope. The goal is to promote healthy self-propelled living for the residents of Hope and its Visitors.

Form: The group is an informal and inclusive membership for individuals and group representatives that are invested in building and maintaining a Healthy Community. The Committee is a place for interests to converge and ideas to germinate in an organic and creative way.

Meeting Minutes Jan 7:

Johanna: Looping of Suckers Marsh trail with Thacker Park trail discussion ongoing with landowner.

Stephanie: Addition of bike routes to Visitor's Guide going ahead. Bike rack locations for visitors map that have been noted are Rec Centre, Sears, Municipal Hall, Blue Moose, Mountain Border florist, Lucky Dollar Store, Bee's Food Market, Beadifferent, Canada Post, Cheyenne Sports, and the tennis courts. Any others that are spotted should be added to list for map.

Stephanie: District of Hope adopted a strategic economic development plan last night that includes a plan to increase trail development, maintenance and exposure for residents and visitors. Plan is available at the District hall for review. We could coordinate our efforts with the plan.

Next Meeting:
