Agendas & Meeting Minutes
2021-2022

Purpose of SSC:

A school that operates a categorical program funded through the consolidated application (ConApp) shall establish a school site council (SSC) if such program requires a School Plan for Student Achievement (SPSA) (California *Education Code* [EC] Section 65000[b]).

The SSC shall develop the content of the SPSA (EC Section 64001[g][1]). The SPSA shall be reviewed annually and updated, including proposed expenditure of funds allocated to the school through the ConApp and the local control and accountability plan (LCAP), if any, by the SSC (EC Section 64001[i]).

The SPSAs shall be reviewed and approved by the governing board or body of the local educational agency (LEA) at a regularly scheduled meeting whenever there are material changes that affect the academic programs for pupils covered by programs identified in this part (EC Section 64001[i]). If a SPSA is not approved by the governing board or body of the LEA, specific reasons for that action shall be communicated to the SSC (EC Section 64001[i]).
