

Animancer's Lucky Raffle Rules

I host **TWO** raffles simultaneously; a **Public Raffle** and a **Patron Raffle** (links below). Every time you buy me a coffee on Ko-fi I will add your name to the **Public** raffle list. You can buy more than one. Anyone pledging \$10 or more on my Patreon has their name added once to BOTH **Public** and **Patron** Raffles.

On the second Saturday of every month at 12pm PST (or as close to that as I can manage) I will host a live stream on my Piczel channel (<https://piczel.tv/watch/Animancer>) where I will pull names from both lists. I copy/paste each list of names into an online "hat" to pull from so you can watch.

If I pull your name, you win art! I will contact you so you can tell me what character you would like me to draw for you.

The quality of the art you win is based on how many names you put into the raffle:

1-3 names wins a one-hour doodle.

4-9 names wins a colored sketch.

10+ names wins a full-color sketch or an ink-and-flats.

Important: As soon as your name is pulled, **ALL instances of your name are then removed from that raffle.** You cannot win twice in the same raffle in the same month.

Also: If your name is NOT pulled, **it will remain in that raffle for future raffles** until it IS pulled.

The number of names pulled each month will vary. By default it's two names per list, but this is subject to change.
