

Founded by Adam in August 2021

It's been a tough journey, with many sacrifices along the way and I will always be thankful to Allah SWT and all the people who stood by me through thick and thin.

I had a hard time chasing this Dunya and battling bad habits.

BUT.

As Allah SWT says in the Quran:

(93:7) "And He found you lost and guided [you],"

AND HE SAW THAT *I* WAS LOST AND GUIDED **ME**.

So, I want to spread this message to my Muslim brothers that this 'Dunya' is nothing but a beautiful lie...

IT'S TEMPORARY.

You might find it fun while chasing this Dunya.

BUT DON'T FORGET.

It is not going to satisfy you in the long run, and we're only here to be tested by Allah.

After a while of engaging in bad sins, hanging around people who were leading me deeper into this Dunya, and also losing some brothers to violence, I started to realize that this Dunya was temporary.

It all made me feel empty.

I couldn't handle it anymore so I began to focus on changing my life during Ramadan (2021). I started getting closer to Allah, and that's also when I started Akthobes.

Three years later, my life has literally changed so much.

Allah SWT has blessed me with significant opportunities, giving me a big and strong community of Muslim brothers and also allowing me to start a business.

May Allah bless you all for the support and with Allah's permission, we have big things coming in the future, In Sha Allah.
