

Publication Ethics Statement

Article Title:

Names of All Authors:

We hereby declare that:

1. The article submitted to the **SIBERTEK Journal** for evaluation is an original work, free from fabrication, falsification, plagiarism, duplication, salami slicing, or copyright infringement, both in terms of data and content. This article is written by the authors listed in the document and has not been published elsewhere.
2. The article is not currently under evaluation by any other journal and will not be submitted to another journal while it is being reviewed by the **SIBERTEK Journal**.
3. The article does not contain any unlawful, defamatory statements or materials that infringe on the privacy rights or intellectual property of any individual or entity.
4. If we decide to withdraw or cancel the article during the evaluation process, we agree to notify the editor and comply with the withdrawal procedures established by the **SIBERTEK Journal**.
5. If any violations of this declaration occur, we accept any sanctions imposed by the **SIBERTEK Journal**, including being blacklisted from submitting to the journal.
