

## *It's finally being released oh my god*

Bunny - This project started as a labor of love by me where I just wrote down ideas and sketched out stuff, I did not expect for it to be picked up in the way it's been at all. This has been my first project I ever directed and I hope for more to come. I could have not asked for a better team, but I sure as hell could ask for better circumstances, jesus christ.

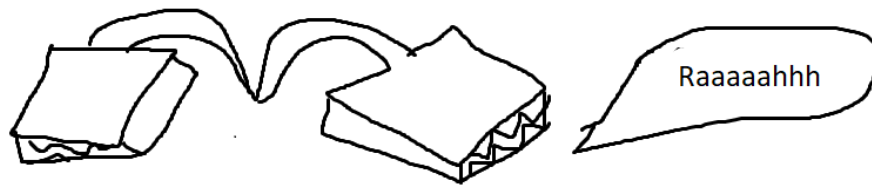

THANKS FOR HELPING ME WITH THIS PROJECT OH  
MY GOD IT TOOK A YEAR I THOUGHT IT WOULD BE 2  
MONTHS

Nukipookie - My ass!! My ASS!!! MY ASSSSSSSS!!!!

Lena - Hello chat :) I'm glad to be part of this project even if it was just down to balancing a couple things here and there, I look forward to making more fakemon for Union whether its through real creation or just balancing buns silly little things some more :D skibidi (I LOVE DIONABLAZE!!)

Glitch Ratt - This project has let me get my creativity flowing more than any other, and I am forever grateful for the opportunity to work on things for this project! I hope for a bright future of Fun and Silly ideas with Union! (I have a TON of

them) 🍷

**Tortu** - WhATS, GOoodD TEAM, first of all this was one of my first projects that i joined, and it is **MASSIVE**, i love a lot to work with all of the great people involved in the team that also helped me a lot in my start, i would like to work again with all in another **CRAZY** project in the future, and im proud of all the work did team, i would never had **IMAGINE** working on something like this in the past for this great people, now i will **FADE** in the darks like a **NINJA** until another project gets on the work.

**DesTr0Yz** -I had a lot of fun working on this project, especially learning pretty much everything, my favourite being how to make models do cool stuff with animations :)

Also, I have found a new child, and he is my precious. *(and very deadly)*

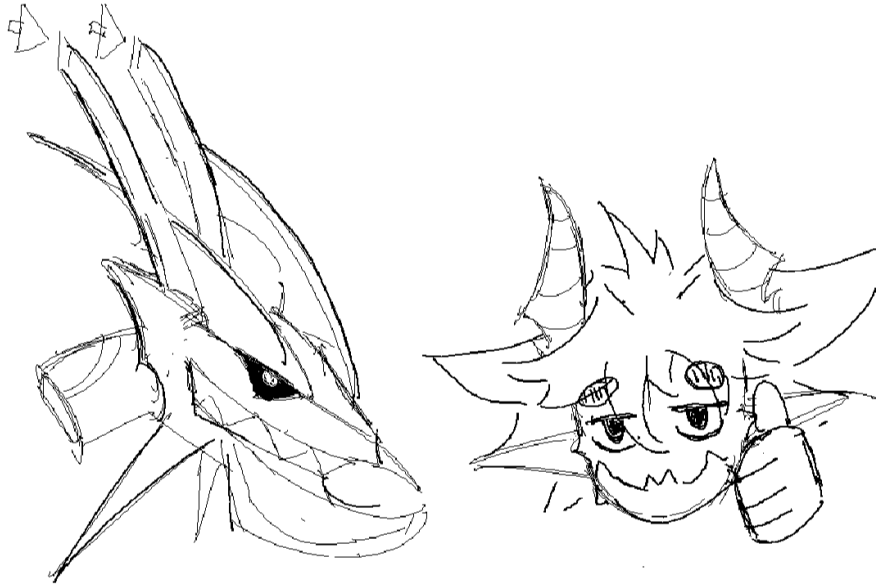

(I'm still getting used to drawing again lol)

**Crysite** - hey, i just worked on the beach area. Hope you all enjoy it 👍

**KingDiavolo** - hallo, happy to help design Iron Ascent and all dat. :D

electrobirb - just here to say yippee!! Glad to have helped on this project and I can't wait to help out again, what a silly game minecraft is for letting us do all

these epic things :3

Lupey - hi guys, I helped (sparky sparky render girl), pls enjoy this image of a cute fox

**Guardie** - Mostly here for emotional support but done some building here and there and made the model edit and animations for Eternal Floette... 🌸

**TheSoup44** - Hopped in kinda early and had a great time contributing ideas and starting the discord to organize our work. Started this project before I was even a helper. Love Everyone here <3

**LilacRoses** - #1 BUTTERFLY ENTHUSIAST!!! Wanting to try more texture work, happy to put ideas forward!

**Andr06** - Hi, I like music 🌵
