Today I'm going to write about....

A story I have read

A book I have read

A story that has happened to me

My first journey to the sea

A strange dream I have had, I dreamed that

It was a Lovely summer morning, when I and my friends decided to go swimming. When we arrived, there were a lot of people swimming and diving. I moved to swim in the sea . it was the first time to swim

a . I jumped into the sea without having any experience of how to swim. It was foolish.

When I got into the sea , I was drowning and I thought it was the end of my life . I could do nothing and the water took me to a deeper side of the sea.

During that time , some friends saw me while I was shouting for help . They ran and got a man for help . He came and saved me from death. I fainted for ten minutes before I could recover . I promised never to swim again without experience.

A person you admire

The person I admire most is Dr Magdi Yacoub. He is the most famous surgeon around the world . He is a model نموذج يحتذى person. He is a successful doctor. He treats يعامل his patients kindly بطيبة. He is serious جاد and sincere مخلص at work. He works day and night for the sake of humanity . He trains other young doctors .He got many prizes from different places around the world . He is a friendly character who spares no effort لا يبخل to help those who need him. He is loved by all متأثر جدا به people around him. I am greatly affected by

wish to follow his footsteps أتتبع خطاه . That's why
r him the most important person in my life.

How the internet has changed our way of living

The internet is one of the modern world's wonders .
It plays an important role دور in our life. It has a great
effect on us. It is the fastest communication system in
our world. It stores all kinds of information on
different subjects. The internet enables us يمكننا to get
the information we want. Through the internet , we
can see and talk to people everywhere. It helps us in
our education and work . الانترنت جمل ايجابية على + .
