

Privacy Policy for Milky Way Spiral

Welcome to the Milky Way Spiral! We respect your privacy and are committed to protecting it through our compliance with this policy.

1. Information We Collect and How We Use It

Milky Way Spiral does not require any form of login or signup, allowing users to directly start using the app upon downloading. Users can enjoy the app up to a certain customization level without any purchase. If they want to access fully customizable features and Surprise Me buttons a subscription is required.

The only data collection and processing related to our app are conducted by RevenueCat, a third-party service we use for in-app subscriptions and purchases. RevenueCat may collect and store purchase history to ensure a seamless user experience. We do not collect, store, or process any personal information through the Milky Way Spiral directly.

2. Use of Third-Party Services

Our app utilizes RevenueCat for managing in-app purchases and subscriptions. For information on how RevenueCat collects and uses data, please refer to their privacy policy. Milky Way Spiral does not include any third-party website links or direct data collection methods.

3. Security

We strive to use commercially acceptable means to protect your information. However, no method of transmission over the internet or method of electronic storage is 100% secure, and we cannot guarantee its absolute security.

4. Changes to Our Privacy Policy

We may update our Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page. You are advised to review this Privacy Policy periodically for any changes.

5. Contact Us

If you have any questions about this Privacy Policy, please contact us.
