### Attendance Emphasis

- **Attendance Incentives - Please review the following two incentives with students in morning meetings this week**
  - **1. Classroom Award** - This week, you will be receiving the letters of LIONS. Every time your class has 100% attendance, please add a letter to a visual display. Once you have five days of 100% attendance, your class is approved to give a non-monetary party. These parties could include a dress down day, extra 15 minutes of recess, or small tech parties. These parties will be hosted on a Friday each month. Please begin articulating this to your class to incentivize perfect attendance!
  - **2. Individual Award** - Students who achieve 100% attendance the first two weeks of school will attend the upcoming attendance celebration on Sept 5.
