

Wall Town Wonders: A Mixed Reality game that turns your living room into a lively miniature town.

August 19, 2024 — Get ready to experience a game like no other as Cyborn proudly announces *Wall Town Wonders*, an innovative mixed reality (MR) game set to launch in Q4 2024 on the Meta Quest Store. Pre-orders are now available, offering an exclusive skin and discount for early supporters.

About Wall Town Wonders

In *Wall Town Wonders*, your living room becomes the foundation for a vibrant, miniature town populated by colorful, lively characters. Step into a magical world where you'll help these tiny residents rebuild their town, unlocking a treasure trove of unique buildings, characters, and customization options along the way.

With hand-tracking technology, players can interact with the town's people using only their hands, creating an unparalleled sense of realism and immersion. The gameplay is gentle and relaxing, designed to allow players to explore and nurture their town at their own pace in a soothing environment.

Customization is at the heart of *Wall Town Wonders*. With over 40 different characters to meet, close to 100 buildings to unlock, and countless skins and customization options, no two towns will ever look the same. As you explore and help your town grow, you'll discover new looks and features that keep the experience fresh and uniquely tailored to your preferences.

Story and Features

Your journey begins when you inherit a magical watch from a distant relative. Little do you know, this watch reveals the presence of tiny people living within the walls of your home. With this watch, you can interact with these wondrous beings and assist them in rebuilding their town, which spans across your entire living room. Along the way, you'll encounter a variety of fun and humorous challenges that not only help the town's citizens but also unlock new buildings, characters, skins, and mini-games.

Seasonal updates ensure that your town remains vibrant and ever-changing, as the residents love to dress up their town for every occasion. These updates will bring new events, decorations, and customization options, ensuring that there's always something new to look forward to in *Wall Town Wonders*.

Pre-Order and Release Information

Wall Town Wonders is set to release in Q4 2024 on the Meta Quest Store. Pre-order now to secure an exclusive skin and a special discount on the game. Don't miss out on the opportunity to be among the first to transform your living room into a magical, miniature world.
