Accelerated course offers full year credit in one semester. Only one semester of this credit will count toward class rank. Please see GISD Student Handbook for additional information concerning GPA and rank calculation.

Section Three - Concurrent College Credit Courses

Concurrent courses are college courses taken by a student outside of high school hours and not associated with the high school or the high school curriculum. Successful completion of the course results in college credit only and is not reflected on the high school transcript.

The following table represents college courses that are currently offered at ACC where no corresponding high school course exists at this time:

Concurrent Enrollment Table			
College Course	College Course Name	High School Course	Reason
Math 1425	Business Calculus	None	No comparable course
Math 2413	Calculus I	None	Comparable course is AP
Math 2414	Calculus II	None	Comparable course is AP
Philosophy 1301	Introduction to Philosophy	None	No comparable course
