Commission contact info:

For Commission/Business inquiries email me: jmicpineda@gmail.com

Or Note me/DM me on any of my social medias!

Please make sure to read my TOS before commissioning me!

NOTICE: THERE IS CURRENTLY AN EXTREMELY LONG WAIT ON COMMISSIONS.

Please do not commission me for anything higher than a sketch if you need it quickly. I apologize.

☼ **I WILL draw**

Human, Humanoid, Anthro, Feral, Pinups, Gore, NSFW, really anything not listed on WON'T.

☼ **I WON'T draw**

Any characters from Attack on Titan, Complicated Mecha/robots, cars, scat, detailed vomit, NSFW of underaged/purposefully underaged looking people (aka shota or loli) or non-sapient feral beings, hard vore, unwilling sexual participants, NSFW featuring real people of any kind (this includes real life actor depictions of fictional characters), graphic animal death, or depictions of self harm/suicide.

As an aside, and an extra note on the underaged issue: No, I will not draw NSFW of aged-up versions of non-original characters. I did so in the past, yes, but it's caused far too many issues and far too much backlash for my liking. Besides, taking a closer look at it, it is a little....creepy.

☼ **Very Complex Characters may incur additional charges.**

This may include, but is not limited to: Multiple limbs, wings, particularly detailed fur/skin patterns or tattoos, lots of gradients, clothing with lots of zippers/buckles/pockets/etc. , cybernetic parts, lots of eyes, abnormal body shapes, many scars, etc. Extra charges will be determined on a case to case basis.

*I reserve the right to refuse a commission, for a multitude of reasons or no reason at all.

Reposting/commercial use of the artwork: If the artwork is to be used in a commercial way (On products, in a video game, as a book or album cover, etc.) then I must be told up front so that I can change my prices accordingly.

I DO NOT allow reposts of my artwork onto ANY WEBSITE without first being asked. I also do not allow compilations, collages, or youtube videos to use my artwork without permission.

The only exception to this is character hub/character listing websites such as f-list, toyhou.se, or character about pages on roleplay blogs/websites, however they must still be properly credited.

Any sanctioned reposts (this includes on character hubs) MUST include a link to my original posting of the piece, and credit to me as the artist. This is not optional. My signature/watermark is NOT to be removed.

Improperly credited, or unsanctioned reposts of my artwork on any website run the risk of being reported. If caught reposting my art without permission (even if you commissioned it) I may reserve the right to not accept commissions from you in the future as you violated the T.O.S.

Changes/Edits: If excessive edits are required to a commission, I may require an extra fee for my time. Usually at the sketch stage, excessive edits are considered 3-4. Once a commission is finished and an edit is requested, I will edit the piece once. After that, further edits will require a fee.

Payment Info:

-Paypal (USD Only!)

-Venmo (Again, USD only)

-Payment will be received IN FULL before I start a commission.

-Please note due to my financial situation **I cannot offer refunds.** Once money comes to me it almost immediately goes out to bills and household needs. If something happens, there is not much I can do.

To-Do List/Queue: Currently being shown on my [**Trello**](#) !

By commissioning me you accept all these terms of service, thank you for your cooperation and understanding.

*YCH's, Reference sheets, and Adopts are priced differently from my commissions!

*Prices are liable to change in the future as I grow with my art! Thank you for the support!

I don't do passcodes or passwords, but if you got this far, and want to let me know that you read the T.O.S. feel free!
