

Welcome to the Texas Health Occupations Conference.

THOA is delighted to welcome you to the Texas Health Science Professional Development Conference scheduled for July 21 - 23rd to be held at the A&M Conference Center in College Station. We have planned an exciting conference with engaging sessions and opportunities for you to network with fellow teachers, share your knowledge, and obtain professional development opportunities.

We would like to share some information so that you will get the most out of your experience at our conference.

- On Monday night, iCEV will host a movie and poolside party. Please let us know if you will attend by filling out this [SOCIAL RSVP](#)
- Don't miss Tuesday's social activity for all attendees in the ballroom. See more details on our conference agenda below.
- Please review our conference agenda, which includes important information about registration and session times. You will have access to our conference app once you arrive at the conference. [Conference Agenda](#)
- Attire is business casual! Remember to bring pool attire as there is a rooftop pool which overlooks Kyle stadium. The view is beautiful in the evenings. All attendees will be given a teal and white t- shirt which we would like to encourage you to wear on Wednesday for our group photo.
- Information about parking is available on our website, or you can open this Google link. [Parking link](#)
- A complimentary THOA membership is included for those who attend the THOA Conference in person. Information on how to obtain your membership will be provided at the conference registration table. THOA membership allows you and your students to apply for THOA Scholarships and provides you with access to lesson plans on the Google Drive.
- If you are staying at the A & M Conference Hotel, incidentals are turned off. You should not be asked a check-in for your credit card at A&M unless you want to turn on your incidentals or you want to check in using the new hotel app. If you use the A&M Hotel app, it will charge your credit card for incidentals.
- Your conference certificate with CPE Units will be emailed to all attendees.

We are so happy you are attending our conference, which promises to be an inspiring and informative event!

Please review additional information about our conference on our website, www.thoainc.org, and let us know if you have any questions
