

Privacy Policy

Effective Date: April 11, 2026

1. Introduction

Thank you for using our mobile application (the "App"). This Privacy Policy explains our practices regarding your information when you use our App. We are committed to being transparent about how our App operates and to protecting your privacy.

By using the App, you acknowledge that you have read and understood this Privacy Policy.

2. Information We Collect

Our App is designed with your privacy in mind. We do not collect, store, or transmit any personal information from you. Specifically:

- We do not require you to create an account or log in.
- We do not collect your name, email address, phone number, or any other contact information.
- We do not collect location data.
- We do not collect payment information.
- We do not collect usage analytics or behavioral data.
- We do not collect device information.

3. Automatically Collected Information

While our App itself does not collect personal data, please note that your mobile device's operating system (iOS or Android) may collect certain technical data as part of normal device operation. This data is governed by Apple's or Google's respective privacy policies, which we encourage you to review.

4. Third-Party Sharing

We do not sell, trade, rent, or otherwise share any user data with third parties. Because we do not collect any personal information, there is no data to share.

5. Educational Content

Our App provides educational content for general audiences aged 13 and older. All content is delivered locally within the App and does not require any personal information to access or use.

6. Children's Privacy

Our App is intended for general audiences and is not directed to children under the age of 13. We do not knowingly collect any personal information from children under 13. If you are a parent or guardian and believe your child has provided us with personal information, please contact us using the information below, and we will take steps to address the issue.

7. Data Security

Since our App does not collect or store any personal data, there is no user data at risk from our systems. We are committed to maintaining this privacy-first approach.

8. Your Rights

Depending on your jurisdiction, you may have certain rights with respect to personal data. Because our App does not collect any personal data, these rights generally do not apply in the context of our App. If you have questions about your privacy rights, please contact us.

9. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. If we make material changes, we will update the "Effective Date" at the top of this policy and, where appropriate, notify you through the App or other means. We encourage you to review this Privacy Policy periodically to stay informed.
