

AI Assistance Acknowledgement

I, _____, acknowledge that I used generative AI tools in completing this R coding assignment. Specifically:

1. AI Tool(s) Used:

2. Nature of AI Assistance:

- ☐ Generating code
- ☐ Debugging errors
- ☐ Explaining concepts
- ☐ Generating documentation
- ☐ Other: [Specify]

3. Extent of AI Use:

- ☐ Minimal (occasional prompts for specific issues)
- ☐ Moderate (regular use for various aspects of the assignment)
- ☐ Extensive (heavy reliance on AI for most of the code and/or documentation)

4. Brief Description of AI Usage:

5. AI Prompts Used:

Please list the key prompts you used with the AI tool(s). If you used multiple prompts, list the most significant ones.

6. Personal Contribution:

I affirm that I have thoroughly reviewed, understood, and manually modified (where necessary) all AI-generated code and/or documentation. The final submission represents my own work and understanding of the course material.
