

Nutella Rice Krispie Treats

From [Ashley's Cooking Adventures](#)

Ingredients

6 cups Rice Krispie Cereal
1 bag mini marshmallows
3 tablespoons butter
1 cup Nutella

Directions

In a large pot melt butter over medium-low heat. Stir in marshmallows until creamy and mostly dissolved. Add in the cup of Nutella and continue to stir until fully incorporated with the marshmallows. Remove from heat and stir in Rice Krispies. Spread into a 9X13 pan (a trick I use is spraying a ziplock snack size bag with cooking spray to pat and smooth it down). Cut into bars and serve.
