

Evaluation Criteria for BINA Michael W. Davidson Memorial Award Applications

The [Biolmaging North America \(BINA\) Michael W. Davidson Memorial Award](#) is designed to support members who embody the mission and core values of BINA by demonstrating commitment, shared values and the potential for BINA leadership. Community contributions and engagement, in any of the areas of Inclusion, Education, Mentorship, Standardization, and/or Advocacy, are the basis for this award.

Each criteria below is evaluated by the reviewers on a 1 to 10 scale, with 10 being the highest score possible for each.

Criteria	Expectation
Embodies the Michael W. Davidson spirit	Does the Candidate's work reflect the selfless giving of their time and effort to the bioimaging community in any of the areas of Inclusion, Education, Mentorship, Standardization and/or Advocacy?
Embodies the BINA Mission and Values	Does the Candidate contribute to BINA's effort in the bioimaging community in any of the areas of Inclusion, Education, Mentorship, Standardization and/or Advocacy?
Community Endorsement of Candidate's Impact	Is there adequate support provided from others in the community of the impact of the Candidate?
Potential for BINA leadership	Does the Candidate demonstrate commitment, shared values and the potential for BINA leadership?
