Consider the experience that awaits you on a platform with over 100 live casino games and generous bonuses. WinOMania Casino fits the description, and we will run through it to see what makes it unique. You can already tell from the title that the welcome bonus consists of a deposit match and 100 free spins.

WinOMania Casino hosts exclusive titles with a broad betting range to accommodate high rollers and casual players. Even so, we will see how its welcome bonus leads to other promotions.

Bonus Claim and Instructions

WinOMania Casino is at the door waiting for your first deposit. The gaming site has a well-stacked offer to boost your bankroll and take you to a few games. Then, you can warm your fingers, win cash prizes on the side, and look forward to a fulfilling gaming experience.

The welcome package expands to the fifth deposit, giving you more bonus rounds. In brief, here is the welcome bonus from WinOMania Casino:

- **First deposit:** 100% match bonus up to £100 and 100 free spins, with 25 spins each on Cleopatra, Gold Rush, Wild Eagle, and Scratch King.
- **Second deposit:** 25 bonus rounds on Wheel of Luck
- **Third payment:** 25 bonus rounds on Live the Dream Slot
- **Fourth deposit:** 25 bonus rounds on Scratchy Spins
- **Fifth payment:** 25 bonus rounds on Scratch King

Apart from making the minimum eligible deposit of £10, you must use a bonus code for all deposits. The offer comes automatically once you've made payment with the code. Contact the support center if it doesn't appear.

That aside, you have 30 days to use the bonus cash and wager the free spins 40 times. While the cash is available on startup, you must log into the selected games to claim the bonus spins.

Per the casino rules, you must use your initial deposit before progressing to the bonus fund. For example, depositing £20 means you must use the one in your primary account before going over to the bonus.
