

### **Pre-3.0**

Backstory: [X](#)

- Blake lives a lonely childhood. Later, his father dies and so a family friend, Malush, comes to tell him and deliver a message. Blake runs, before getting stranded and eventually having to be saved by Malush. For the next couple years, he lives with Malush's family as a doctor, becoming a better and happier person. Later pirates come and take him with them to be their doctor; Blake spends months on their crew with friendship only in a fellow boy named Lange. They find an opportunity to finally leave the crew when Blake eats a devil fruit the crew was holding and throws them off the ship.
