

Caption Writing Practice

Read the Article at <https://ijnet.org/en/resource/writing-photo-captions>

What are *captions*, and what makes a good caption?

- It is an explanation of what is happening in a picture.
- It answers *the 5 W's and H* (who, what, when, where, why, how).
- It is 1-2 sentences in length.
- It is written in the *present tense*. (Tense can sometimes shift in the second sentence.)
- It has accurate information.

Instructions:

Insert one of your photos below then write a caption for it. (For practice, bold the words that represent the 5 W's and H.)
