Research Log: This log is the place where you will keep a record of the research that you did for your Capstone Experience. This could include books, videos, interviews, and any materials that you used to help further understand your personal interest project, job shadow or community impact project.

- When researching, write down a minimum of 5 key ideas that you learned from the source.
- Use Noodle Tools to create a MLA citation for your source.
 - Media center provides Noodle Tools tutorials on how to properly cite a resource using MLA formatting.
- For a Career Exploration, one of your sources must be the two interviews you conducted with people who have first hand knowledge in the career field.
