Type of Manuscript : Original Research Article / Review Article

Title : _____

II. NON-WITHDRAWAL AGREEMENT

Authors submitting manuscripts to journals published under the IASSSF are expected to commit to the editorial and peer-review process. Manuscripts should not be withdrawn after submission without a valid reason accepted by the Editorial Board. To maintain the integrity of the editorial workflow and to prevent unnecessary disruption to the peer-review process, the following withdrawal policy applies:

1. Withdrawal during the peer review phase (after initial screening but before final decision) will incur a penalty of IDR 500,000 or USD 29.7.
2. Withdrawal after the manuscript has been accepted but before production will incur a penalty of IDR 1,000,000 or USD 59.3.
3. Withdrawal during the production stage (copyediting, proofreading, layout, or final preparation for publication) will incur a penalty of IDR 2,000,000 or USD 118.7.

Failure to fulfill the applicable withdrawal obligation may result in restrictions or blacklisting of the author(s) from submitting future manuscripts to journals managed by IASSSF.

III. VOLUNTARY APC CONTRIBUTION OPTION

The journal is an open-access publication under the IASSSF. **Details of the Article Processing Charge (APC) can be found on the respective journal's webpage. The APC will be applied upon acceptance of the manuscript.**

However, the journal welcomes voluntary APC contributions from authors as a form of support for the sustainability of the publication. Contributions are optional and not mandatory, and the amount is determined by the author.

These contributions support:

1. Journal maintenance
2. Editorial and peer review management
3. Publication system operation
4. Cross-subsidization for authors requiring financial support

☐ Option 1: Enhanced Contribution

I wish to contribute an amount higher than the standard APC to support the journal's cross subsidization program.

My contribution amount:

IDR 2,500,000 (USD 155)/IDR 3,000,000 (USD 185)/IDR 3,500,000 (USD 220)/IDR 4,000,000 (USD 250)/(more than IDR 4,000,000+ (USD 250+)) IDR/USD _____

(Delete those that DO NOT apply)

Benefit for all tiers: Contributors will be officially listed by name on the journal's website under their respective contribution category as a recognition of their support.

☐ Option 2: Standard APC

Details of the Article Processing Charge (APC) can be found on the respective journal's webpage. This fee becomes applicable only after a manuscript has successfully completed our rigorous peer review process and received a formal acceptance decision.

☐ Option 3: Waiver/Discount Request

I apply for an APC discount and commit to supporting IASSSF through manuscript reviews and future academic acknowledgments.

Requested discount amount: IDR/USD _____
