This online casino's welcome bonus is a 200% deposit match and 120 free spins. You can look forward to receiving an offer for your first three deposits. Bearing that in mind, your first, second, and third payments will get 100%, 50%, and 50% match bonuses, respectively.

The deposit matches can go up to €150, €100, and €150, while the free spins are 40 each on Starburst XXXtreme. Qualifying for the welcome package requires a €10 first deposit and €20 on the subsequent two. Notwithstanding, there are no wagering requirements, and you have 15 days to use the bonus.

You can opt for the cashback offer as your welcome bonus. This option will give you 20%, 15%, and 15% cashback of up to €500 each on your first three deposits. The offer is wager free, but the minimum eligible deposit is €50, and you must redeem it through the live chat.

There is an offer for you if cryptocurrencies are your thing. The cash bonus is the same, but you get 100, 40, and 40 free spins on the three deposits. All other criteria are the same as the main welcome package, except you select the crypto welcome bonus instead.
