

Lower School Summer Reading

Imagine what's possible this summer!

Here's how:

1. Read as many books as you want/can!
2. Record the titles/authors; rate how well you liked them with the number of stars!
3. When we return in Fall 2026, you may share the title of your favorite book with your classmates!

Not sure where to start? Use these resources & strategies to help:

★ Choose a book!

- [Read Brightly](#) — Lists by age from Penguin Random House Publishers
- [Best Books for Kids](#) – Themed lists at all age levels chosen by CommonSense Media
- Check [Amazon](#) for summaries and scroll down for editorial reviews
