2026-27 Chagrin Falls Pay to Participate Information

The Chagrin Falls Exempted Village Schools is continuing its pay to participate policy for the 2025-26 school year. The fees being charged will help offset costs associated with interscholastic athletics. We recommend everyone pay their fees on Infinite Campus. If you wish to pay via check you can mail it into the athletic office (400 E. Washington St) or have someone drop the check off in the athletic office. Checks are made out to the Chagrin Falls Schools. Please put the sport and the student athletes name in the memo.

- HS Student-Athletes fee will be \$100 per sport. MS Student-Athletes will pay \$75 per sport. There will be a family cap of \$500 per school year. You must notify the athletic department if you believe your family has gone over the cap.
- Payment of the fee does not guarantee playing time on the team or making the travel list for sports that only take a certain number of participants.
- All fees are non-refundable with the exception of the following:
 - The sport of activity is canceled for the season.
 - A student does not make or is cut from the team.
 - A student suffers a season-ending injury prior to the first contest.
- Varsity, Junior varsity, freshman all have the same fee structure.
- There will be a \$30 fee assessed with a check that is returned for non-sufficient funds.
- If someone has a family financial hardship please send the linked form to the Chagrin Falls Athletic Office [Assistance Form](#)
