

Department: Mathematics and Statistics

Course Information: Precalculus Math 1250

Instructor: Professor Laura Carr

Below is information about the sections of the course, the number of LAs we expect to hire per section, and the meeting times that you will be expected to attend for each section.

Before you apply, ensure that these times fit into your schedule.

Section #	Expected Number of LAs for this section	LAs need to attend course functions at the following times:
5	1	Section 005: Lecture is 12:00-12:50pm Mon, Tues, Wed, Thurs I'd like an LA there at least two days each week.
7	1	Section 007: Lecture is 3:00-3:50pm Mon, Tues, Wed, Thurs I'd like an LA there at least two days each week.

In addition to being available for the times listed above, working as an LA also requires the following:

1. All LAs must meet weekly with their faculty member to prepare for the following week's events at a time mutually acceptable to the faculty and LA
2. **All new LAs** must be available to attend a training from 4:30pm – 8pm on Monday, August, 2026 (if you have extenuating circumstances that prevent you from attending this training, please contact Carrie Misuraco at cmisurac@d.umn.edu)
3. **All new LAs** must be available to complete training on one of the following weekly times:
Wednesdays 3-3:50pm
Wednesdays 4-4:50pm
Thursdays 2-2:50pm

What will an LA do in this course?

The role of the LA varies slightly in each course. Read below for more information on the LA's role in this course.

What is the role of the LA in this course?

LAs will assist students in small groups and/or individually during the lecture. They will also lead review or supplemental sessions as it works in their schedule. LAs will have access to the course materials and assignments so they can be prepared for the content. During our weekly preparation sessions, LAs will have the opportunity to collaborate with me by providing feedback on what's working in the course and providing suggestions about activities and opportunities for improvement.

How could being an LA for this course benefit you?

Being an LA for Math 1250 will help solidify your skills and understanding of the course and be a great item to list on a resume.
