

Targeted Individual's **personal prayer** for freedom, success, and empowerment

PLEASE DO NOT USE THIS INSTEAD OF THE PRAYER FOR THE PRAYER CAMPAIGN BUT IN ADDITION. THIS PRAYER WILL HELP ON AN INDIVIDUAL LEVEL WHICH WILL THEN CONTRIBUTE TO FREEING US COLLECTIVELY. HOWEVER, PRAYING FOR THE FREEDOM OF ALL TARGETED INDIVIDUALS ON THE MAIN PRAYER FOR THE PRAYER CAMPAIGN HAS TO BE OUR PRIORITY IN THE COMMUNITY. IDEALLY, USE THEM BOTH TOGETHER FOR REAL MANIFESTING POWER BOTH COLLECTIVE AND PERSONAL!

THIS PRAYER/ AFFIRMATION WORKS BECAUSE IT HELPS ACTIVATE THE LAW OF ATTRACTION WHICH SIMPLY STATES THAT WHAT WE THINK ABOUT THE MOST WE MANIFEST INTO OUR REALITY.

In the prayer below, I would recommend saying all of the following affirmations or at least giving the full script a try for at least 3 weeks. However, If one of these lines just isn't resonating with you then please feel free to leave it out. You can also say any one of these affirmations as many times as you want if you want to 'attract' that specific affirmation more either during the prayer time or throughout the day. Say each affirmation as many times as you need when reading the prayer below. **PLEASE NOTE, THAT EVEN THOUGH YOU MAY NOT BELIEVE THESE STATEMENTS YET WHEN YOU SAY THEM PLEASE STICK WITH THEM BECAUSE WITH REPEATED USE YOU WILL START TO BELIEVE THEM (EVEN MORE SO WHEN WITH TIME YOU START TO ATTRACT THEM!).** When you believe them, that's when they will really start to manifest more strongly and quickly.

I also recommend saying this in the prayer position with the hands together. This helps to focus our intent. I recommend praying on this prayer for 20 minutes – that is really going to start to shift things in your life. You could pray for 1-2 hours (or even days on end) if you really desired it! I have done that before and the results I got were just phenomenal! The more you pray simply the much quicker it will come.

Please remember: If there is anything that you do not want in this prayer then please feel free to delete or not say it. This is your prayer so please make it work for you!

HERE IS THE PRAYER/ AFFIRMATION/ SCRIPT...

I am now exceptionally happy, successful, peaceful, and free.

I am completely free from Remote Neural Monitoring and Electronic harassment.

I am completely free from all forms of mind control technology and Directed Energy Weapon assaults (repeat 3 times)

I am in perfect health and have exceptional fitness. My body is perfectly detoxed and free from all toxins, poisons, nano, implants, and anything else that was not meant for a free human body!

I have enough positive, loving, and understanding friends and support in my life to help me be the most powerful and effective activist I can be.

I have an incredibly loving, understanding, and consistent relationship with ALL of my family. My family completely understands and accepts my targeting. They all help me!

I have enough money coming in to cover my expenses in life plus money for the things I need and some disposable income.

I am able to save enough money for my retirement. I have more than enough for any investigations into my targeting or legal matters (i.e. to take this to court if I choose!).

I always come across quickly the information, resources, and people that can help me most in my quest for freedom.

I am supported by god/ universe/ a higher power in all I do. This gives me strength and peace.

I know how to attract my reality with my thoughts and I do so consistently with incredible accuracy and speed. **I have mastered the Law of Attraction. I also take massive action.**

I am confident, resilient, motivated, efficient, flexible, and highly effective in my activism, health, and happiness. I have exceptional time management and get everything done I need to.

I am incredibly successful in my activism (repeat 3 times)

I am an exceptional TI leader (optional – repeat 15 times)

I am incredibly successful in the areas of health, happiness, spirituality, and personal development. I use personal development, spirituality, and daily routines to help support my activism and life. This helps me to remain happy and strong during my activism.

I enjoy my life immensely despite any adverse situations or circumstances in my life. This helps me to stay strong emotionally in my activism efforts and be always at my very best. I always remain in a positive, confident, and loving state which helps me manifest freedom.

I am able to ignore any harassment whilst still staying vigilant to any potential dangers in my life. I stay in the present moment and enjoy my life.

I am also able to use mindfulness to simply observe all of the harassment (and any negative thoughts and emotions) from a point of stillness and neutrality. This quiets my mind and brings me strength and peace! I live in the heart and am a compassionate being.

I am incredibly successful with my activism and get quick, effective, instantaneous results. I work incredibly hard on my activism every day and put in the hours. With my activism, I am organized, efficient and motivated. I am an excellent leader, motivator, persuader, public speaker, marketer, networker, team builder, leader, and communicator. Even though I work incredibly hard on my activism I do so in a sustainable way and remain incredibly happy whilst doing so. (REPEAT THIS PARAGRAPH 5 TIMES)

On the odd occasion where I do not get results quickly, I am incredibly patient and have the trust that it will manifest which it always does.

I am a strong, powerful, empowered, loving, happy, and healthy activist and so it is. **REPEAT 5 TIMES**

I am an exceptional TI leader (optional - repeat another 10 times)

I am free. I am free. I am free. I am free. I am free. I am free. I am free. I am free and so it is.

And all the above has been programmed on every level of my body and mind including my unconscious mind and so it is. It has been programmed into every cell and every atom in my body. It has now manifested via the law of attraction AND massive action. (repeat 3 times)

END OF PRAYER

Please remember: If there is anything that you do not want in this prayer then please feel free to delete or not say it. This is your prayer so please make it work for you!

When you finish reading the prayer then just go back to the start of the prayer until the 20 minutes is up (or however long you wish to pray for). For best results do this prayer at least once daily but if you really want to shift things in your life then it is highly recommended that you do this prayer for 20 minutes.

Please also be aware that when you say this prayer you will start to attract the people, events, situations, information, and help that you need as the stepping stones to your goals. **WHEN THESE COME IT IS IMPERATIVE THAT YOU TAKE ACTION ON THEM AS SOON AS THEY ARRIVE AND DO NOT DELIBERATE.** If you wait too long the 'energy' may go and you will lose that opportunity. We have to be really vigilant after saying our prayer/ affirmation of what is coming our way and any 'opportunities' we have 'attracted'. We have to expect these things to come our way as they will. It is a mind of faith (or belief) that will attract these opportunities. **If we hold it in our minds that this prayer has already been achieved then that is the quickest way to manifest. We simply think and feel as if it has already manifested. This is called 'acting as if'. Simply ask yourself how would I be thinking if this had already manifested? What would I be feeling if this had already manifested? What would I be saying to myself if this had already manifested? How would I be holding myself and moving if this had already manifested? What would I be seeing in my mind's eye if this had already manifested? Then act and feel like that!**

PLEASE NOTE ONCE AGAIN. I REALLY WANT TO EMPHASISE THAT I WOULD LIKE PEOPLE TO REMEMBER TO USE THE OFFICIAL PRAYER FOR THE PRAYER CAMPAIGN AS A PRIORITY OVER THIS ONE. WE REALLY HAVE TO PUT THE COLLECTIVE TI COMMUNITY FIRST IN THIS INSTANCE. HOWEVER, IF YOU REALLY WANT TO EMPOWER YOURSELF TO THE MAXIMUM LEVEL THEN I DEFINITELY RECOMMEND USING THEM TOGETHER! YOU WILL BE AMAZED AT WHAT WILL START TO SHIFT QUICKLY IN YOUR LIFE! (and in the community). Remember massive action is still needed to amplify your success and take advantage of your opportunities.
