Coach Jean Groth became a familiar and friendly face to Northeast Nebraska volleyball during her 41-year career as the Wisner-Pilger head coach. Coach Groth coached nearly 1100 games, winning over 800 of those matches. Aside from her coaching record, she genuinely cared about athletes, their coaches, and their teams not only in our area, but around the state. A mentor to many and a lifelong student of the game, Jean advocated for opportunities for student athletes to play, play, play. Since its inception, the Northeast

Nebraska Classic has become an enviable start to the season for area teams. To play five matches in the first week of competition is rare among tournaments for Class C & D schools. The high level of play in the Classic, as well as throughout Northeast Nebraska, can be attributed to Coach Groth's years of unwavering support and commitment to the game of volleyball.
