Suggestions

References

(New page) All manuscripts must follow the **APA 7th edition (American Psychological Association)** citation and referencing style. Authors should prepare both **in-text citations** and the **reference list** according to the guidelines provided by the Office of Academic Resources, Chulalongkorn University.

Detailed formatting instructions can be found at

<https://www.car.chula.ac.th/citing0.php>

The journal will not consider articles

if the format does not comply with the journal's specifications.

Tables and Figures

Tables and figures should be consistent with and relevant to the content of the manuscript.

Tables: Tables must be numbered consecutively in the order in which they appear in the text. Table must be in the style as above.

Figures: Figures should have a minimum resolution of 300 dpi and be in color. The size of the figures should correspond to their placement within the manuscript. All text, symbols, and labels used in figures should be appropriately scaled to match the page size or column layout.
