Concession Policies

Age of Concession Workers

- You must be 16 years of age or older to sign up to work in the concession. There are NO substitutions or volunteers allowed younger than 16 without prior approval from the Concession Manager.
- You must be 14 years or older to be in the concession since it is an operating food establishment.
- This age restriction applies to people who are allowed to work in the concession, either as a paid worker, as a volunteer, or just "helping out".
- You will be required to follow all food safety guidelines set out by the association.

Rain-out Policy

- Should the concession close early due to rain or whatever other reason, after your volunteer shift has started, your volunteer duty will be considered fulfilled.
- Should the park be closed due to rain prior to the start of your volunteer shift, you will be required to schedule a new shift on a different day. Always check the web site prior to coming to the park for your shift to be sure that the park has not been closed so you do not waste time on an unnecessary trip to the park.
