

Privacy Policy for “EşZıt Anlam Bul” Last updated: July 11, 2025

Thank you for choosing “EşZıt Anlam Bul”. We respect your privacy and are committed to protecting our users. This Privacy Policy explains how our app handles information when you use our word game.

1. Information Collection

We Do Not Collect Any Data

We do not collect, store, or transmit any personally identifiable information (such as name, email address, or phone number) or any non-personally identifiable information.

The game does not collect or track any of the following:

- Device Identifiers
- Location Data
- Analytics Events
- Usage or In-App Behavior Data

All game logic, including your score and progress, runs locally on your device and is reset when you close the application. No information is saved or sent to us.

2. Advertising

Our app is supported by ads served by Google AdMob to keep it free.

- Ad Identifiers: AdMob may use standard ad identifiers provided by your device's operating system to serve relevant ads. We do not collect, access, or store these identifiers ourselves.
- Ad Content Controls: We have disabled all sensitive and inappropriate ad categories in our AdMob settings to ensure the ad content is suitable for all audiences.

3. App Functionality

- Word Game: Users are challenged to find the correct synonym or antonym for a given word from four multiple-choice options.
- Educational Focus: All words are curated to help improve vocabulary and promote learning in a fun, game-based format.

4. Children's Privacy

Our content is designed to be appropriate for all ages, including children under 13. We do not knowingly collect any personal information from anyone. If you are a parent or guardian and believe your child has provided us with any information, please contact us, and we will ensure no data has been collected.

5. Data Security

Because we do not collect or store any data, there is no risk of a data breach involving user information from our end.

6. Changes to This Policy

We may update this Privacy Policy from time to time. The “Last updated” date at the top of this policy will reflect the most recent version. Any significant changes will be noted in the app’s description on the Google Play Store.
