Методичні рекомендації щодо ефективності оволодіння іноземними мовами.

Imaging speaking English automatically without thinking.

The words come out of your mouth easily and fast. You understand instantly.

To do this you must change the way you study English/ your first action is to stop studying English words. What?

1. Stop studying English words.

That's right, do not memorise words.

Native speakers do not learn English by remembering single words. Native speakers learn phrases. Phrases are groups of words that naturally go together.

2. Never Study Grammar Rules.

Put away your grammar books and textbooks. Grammar rules teach you to think about English? You want to speak automatically-without thinking!

3. Learn with your ears not your eyes. You must listen to understandable English.

4. You must listen to English every day. Don't read textbooks! Listen to English.

5. It's simple. That's the key to your English success. Stop reading textbooks. Start listening every day. Spend most of your study time fastening – that is the key to great speaking.

6. Deep English Learning.

The secret to speaking easily is to learn every word & phrase deeply. It's not enough to know a definition. It's not enough to remember for a test. You must put the word deep into your brain.

You must learn English deeply.

Learn deeply, speak easily.

How do you learn deeply?

Easy – just repeat all lessons or listening many times. For example, if you have an audio book, listen to the first chapter 30 times before you go to the second chapter. You could listen to the first chapter 3 times each day for 10 days.

7. You must learn grammar by listening to real English. The best way is to listen to the same story. Told in different times (points of view), Past, Perfect, Present, Future.

How do you do this? Easy! Find a story or article in Present tense. Then ask your native speaker tutor to write it again in the Past, with Perfect tenses and in Future. Finally ask him to read & record these stories for you.

Then you can listen to story with many different kinds of grammar. You don't need to know the grammar rules. Just listen to the point of view stories and you will improve grammar automatically. It is powerful.

You will succeed. You will use correct grammar naturally and automatically.

This is the secret of English grammar.

8. You must learn real English.

To learn real English, you must listen to English that native speakers listen to.

You must watch what they watch.

You must read what they read.

How do you learn real English?

It's easy. Stop using textbooks.

Instead, listen only to real English movies, TV shows, audio books, audio articles, stories and talk radio shows.

Use real English materials!
