Please check weekly with Level 3 Faculty for updates and changes.**

VNSG 1332

Medical-Surgical Nursing II consists of two parts:

Theory/Lecture: 0800-0950 on Mondays

Lab: 1100-1400 on Mondays

VNSG 1234

Pediatrics

Theory/Lecture: 0800-1050 on Tuesdays

VNSG 1230

Maternal-Neonatal Nursing

Theory/Lecture: 1000-1150 on Tuesdays

VNSG 1219

Leadership and Professional Development

Theory/Lecture: 1300-1450 on Tuesdays

VNSG 2463

Clinical experience consists of three rotations divided into a Med-Surg/Leadership, Pediatric, and a Maternal/Newborn Rotation.

Med-Surg/Leadership Rotation

The Leadership Rotation will include care of the adult client in an acute care setting and in community settings focusing on the role of the LVN in a leadership position.

Acute Care

Wednesdays, Thursdays, and/or Fridays; 8 hour shifts (sites and specifics to be discussed during the Med-Surg/Leadership Clinical Overview).

Pediatric Rotation

The Pediatric Rotation will include care of the pediatric client and his/her family in the acute care setting and in the community setting.

On-Campus Simulation, Community Sites

Wednesdays, Thursdays, and/or Fridays (sites and specifics to be discussed during the Pediatric Clinical Overview)

Maternal/Newborn Rotation

The Maternal/Newborn Rotation will include care of the maternal/newborn client in an acute care setting and in community settings.

On-Site Clinic, On-Campus Simulation, Mother/Baby Hospital Unit

Wednesdays, Thursdays, and/or Fridays (sites and specifics to be discussed during the Maternal/Newborn Clinical Overview)

**Please note that the schedule is subject to change.
Please check weekly with Level 3 Faculty for updates and changes.**
