QA REPORT

Target URL: https://durhamtelevision.com/

Homepage: “Start Watching” and “Learn More” open Contact.

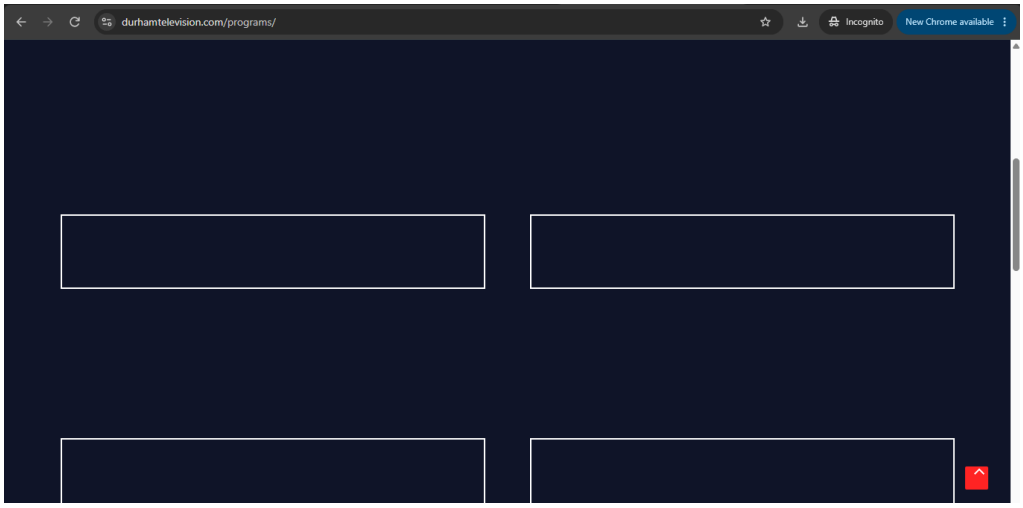

Homepage: “View All Videos” and “Browse Programs”, “Explore Our News”, “Explore Our Community”, “Explore Our Business”, Explore Our Events”, “Explore Our Interviews”, “Explore Our Documentaries” do nothing.

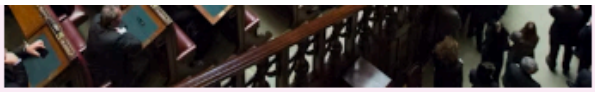

Programs and seven other category pages have empty video listings.

https://durhamtelevision.com/programs/

Contact: white headings are difficult to read against pale backgrounds on tablet/mobile.

Series heading incorrectly says “Documentaries”

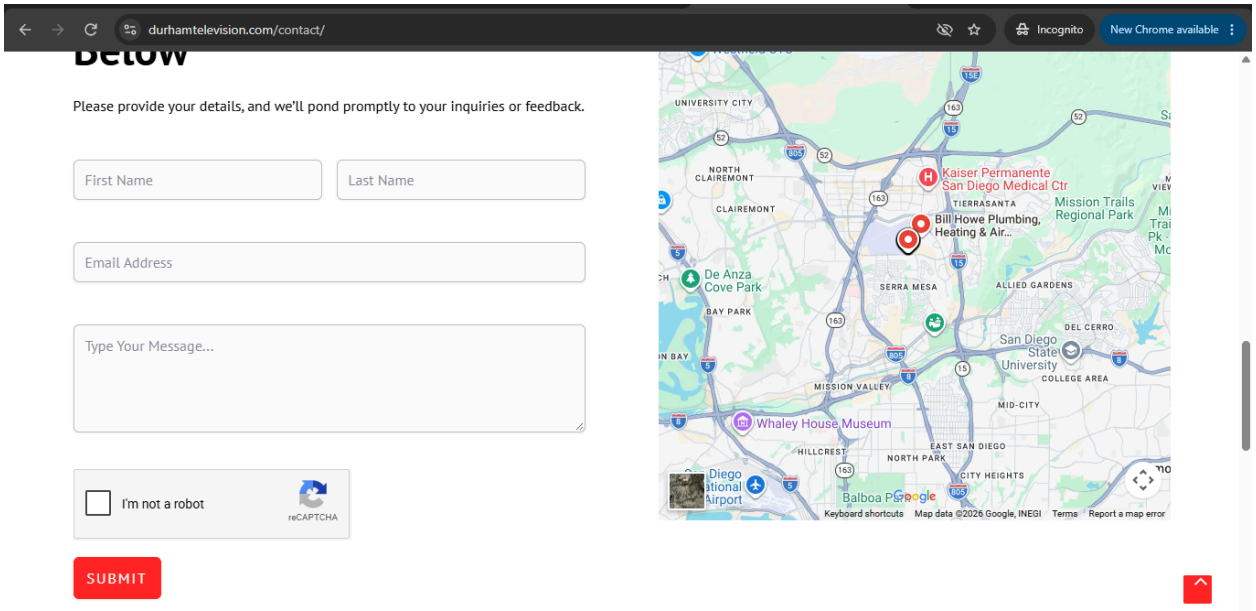

Footer “Start Watching” and hero “Learn More” open Contact

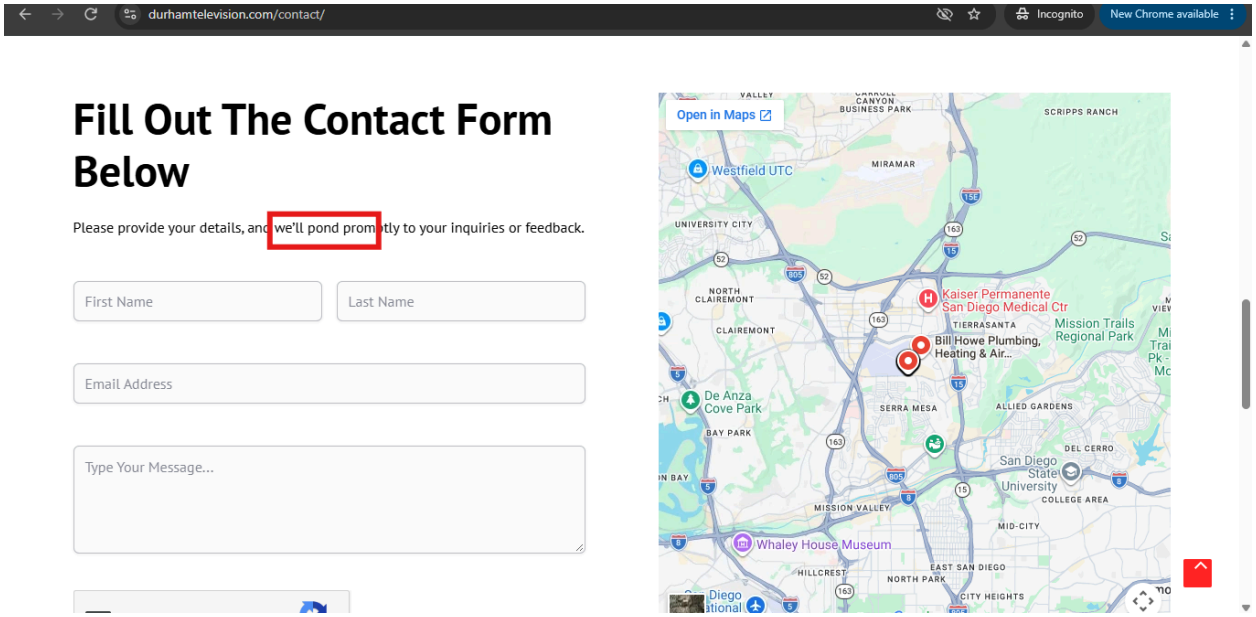

Field prompts disappear after typing; persistent labels are missing.

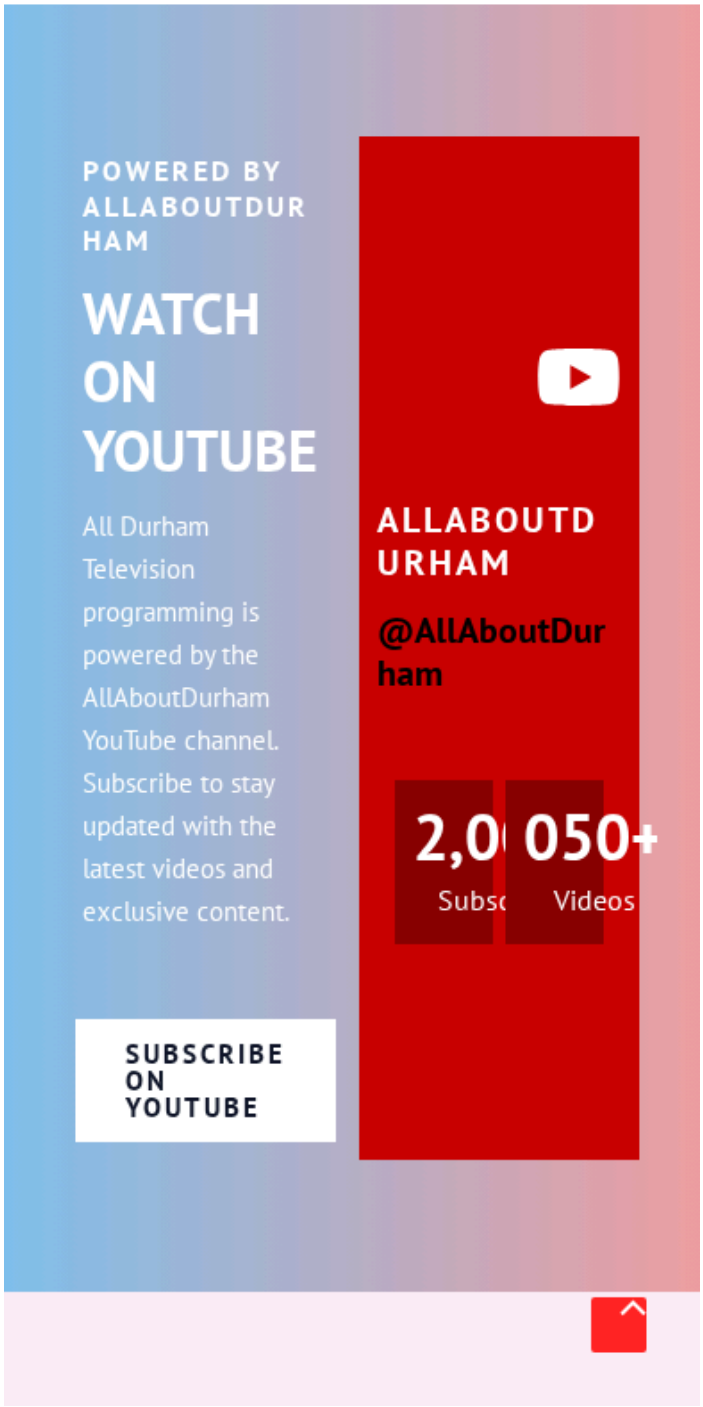

https://durhamtelevision.com/contact/

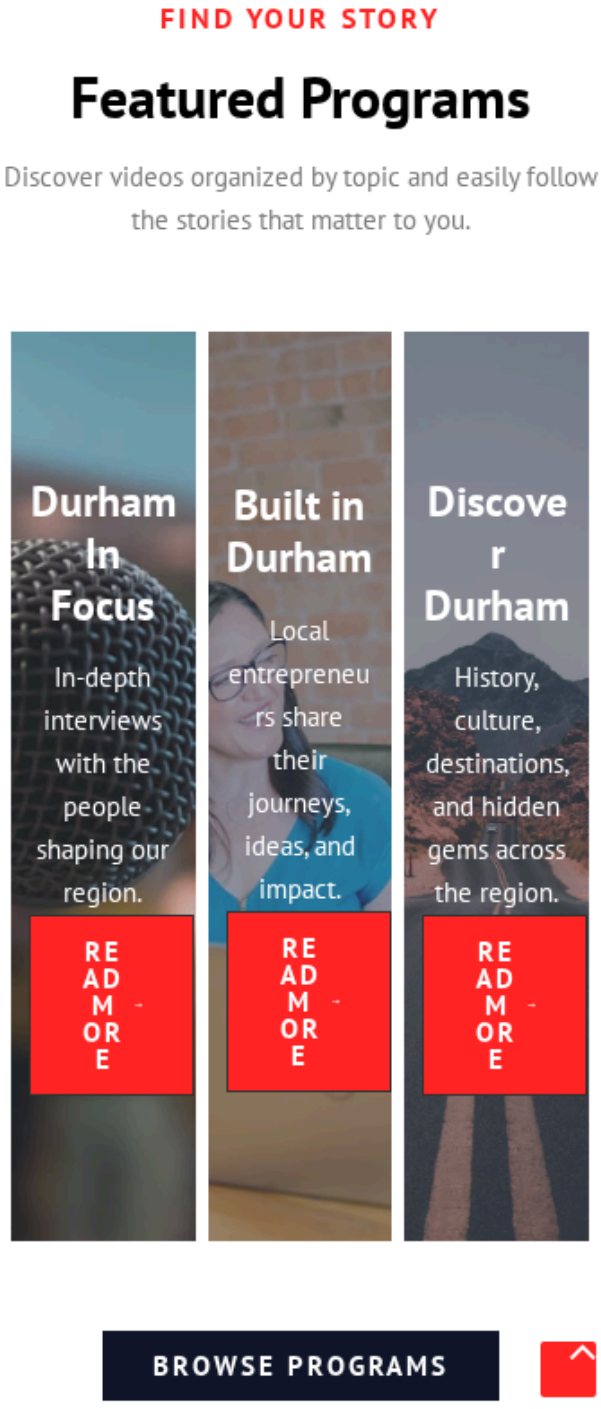

Introductory typo: "we'll pond promptly" should say "respond."

YouTube columns squeeze text and clip subscriber figures.

Featured Programs remains three narrow columns; titles and buttons break across multiple lines.

Five social icons use # instead of social-profile URLs.
