Now that Quarter 2 has ended, I want to remind everyone that Report Card Conferences are happening this week! This is a great time to review progress and set strong goals for the next quarter. The Demerit Inquiry Form is now open for students who have questions about their attendance or academic records. If you need assistance, make sure to complete the form so we can resolve any issues. Support is always available. Whether it's academic, social, or emotional; remember that our staff and your families are here to help you achieve your goals.

Students, as you head into quarter three, I encourage you to keep your personal goals in mind. You have all the potential in the world, and I know you are capable of amazing things. Stay focused, give your best effort, and start strong! This week we celebrate Carver Legacy Week and Wellness Day! This is a special time to honor the rich history and traditions of our school. I encourage all students to get involved, participate in activities, and show your school spirit. Check out the updates below for details on awards, dress-up themes, and more!
