

DIGITAL VIDEO PRODUCTION II & MOTION GRAPHICS FOR FILM+VIDEO

Assignment 8 - Scripting

Please refer to your class' final assignment for specific regarding the subject. Use **Presentation 6** as a reference for how your script should look and what you should include.

A properly formatted script, for a video the length of the ones you're, working on will probably be 2-4 pages long.

Your formatted script is due before the class on April 3rd.
