Loving God, thank you for the gift of Your presence at home, at play, and especially at school. Please bless St. James Catholic School as we continue to learn and grow this fall. Comfort us when we struggle with homework, tests, activities, and people. Guide us in healthy relationships with teachers, friends, and other classmates at school. Especially be present as we continue to prepare for our school accreditation.

Be with our school community now and always, and help us to learn and grow in Your name.

Amen
