<b>Week 3: Which techniques/skills are you developing/learning for this project?</b>
I am developing my sketching skills. I am learning how to develop my ideas and doing researches. I will develop my digital skills, working with photoshop, Illustrator. Learning skills which will help me with my 3D model.
<b>Week 5: Skills Week and Workshops - discuss the skills you learnt and developed for this project? How have they helped to develop your project? Add a reflection here:</b>
This week we had 2 point perspective workshop, I learned how to draw buildings in perspective. These skills can help me with completing my concept drawings.
<b>Week 3: What do you expect the final outcomes of the project to be?</b>
<p>For my final outcomes I expecting:</p> <ul style="list-style-type: none"> <li>- All blogs be finished, clear and match to my final outcome</li> <li>- 3D model have to be neat and finished, clear</li> <li>- 2D works has to show all my skills</li> <li>- Website has to look careful, all everything should work well.</li> </ul>
<b>Week 3: What resources or materials will you need for this project?</b>
For my 3D outcome I will use wood, cupboard, PVA glue, foam.
<b>Draw a picture/Write a sentence/sketch a story/write a dialogue that captures the essence of your project</b>
